

## PROJECT EXPERIENCE

### **HOSPITAL WING ADDITION AND RENOVATION**

*APPALACHIAN REGIONAL HEALTHCARE, WHITESBURG, KY*

Denham-Blythe provided the design and construction for a 15,865 SF two-story Obstetrics/ Gynecology & Surgery Services wing and the complete renovation of the existing 12,000 SF third floor at the Whitesburg ARH hospital.

#### Phase I:

- 17 surgical and postpartum private rooms
- Four labor and delivery rooms
- C-Section and surgery suite with holding area
- Newborn nursery sized for 12 bassinets
- Nursery isolation room
- Two family waiting rooms
- Two centralized nurse stations

#### Phase II:

- Six bed renovated Intensive Care Unit
- 20 private patient rooms
- Three large nurse station areas
